

Shinsei PowerSmart Home Mortgage Interest Rates

For mortgages contracted during June 2018 as of June 1, 2018

(*1) Available only for contracts with Anshin Pack S as the initial rate to apply. Also please note that customers are not able to choose 12-year Fixed Interest Rate at the time of the rate review.
 (*2) After the initial interest period ends, the rates to apply for the remaining mortgage term are determined by the mortgage balance(*3) each time of the new rate review (therefore the new rate to apply after the initial period ends will theoretically be different from the rate to apply at the time of the initial mortgage disbursement.)
 (*3) as at the end of the 14th of the prior month of the rate review.
 (*4) Base Rates to be referred after the initial interest rate period are those announced as of the latest "Reference Date (May 1 or November 1)".

● Please contact Shinsei PowerCall (Home Mortgage) for further details on your first interest rate review date.

Long-term Fixed/ Step-down Interest Rates		25-year	30-year	35-year
	Rate to apply/ Initial Rate to apply	1.750 % p.a.	2.000 % p.a.	2.000 % p.a.
Loan Term (in one year increments)		between 21 and 25 years	between 26 and 30 years	between 31 and 35 years

- There will be no interest rate review toward loan maturity if Long-term Fixed Interest Rate is selected.
- Step-down Interest Rate will start with the rate shown here which applies for the first 10 years. The rate will then Stepwise decrease every 5 years.

● The Bank will undertake a credit approval process and loan amount and tenor are subjected to the final result which may not be the same as the original request.

Please see Page 2 for important disclosures on each of these mortgage types.

Important Disclosures: About Mortgage Rates

[Common to all interest rate types]

Base rates (historical) data are available on Shinsei Bank website.

Please note that the interest rate effective as of the contract date will be applied to the mortgage, not the rate as of the application date.

[Floating Interest Rate (reviewed semi-annually)]

Floating Interest Rate (reviewed semi-annually) as of the date of the mortgage contract will be applied from loan drawdown and up to a day prior to the first initial rate review date. Floating interest rate (reviewed semi-annually) will be reviewed twice a year, based on the Base Rate announced on May 1 and November 1. Interest rate to be applied after the initial interest rate review will be based on "Home Mortgage Floating (reviewed semi-annually) Base Rate". Customers may choose one of the Initial Fixed Interest Rates other than 12-year Fixed Interest Rate announced at the time of interest rate review. 5,400 yen (consumption tax inclusive) will be charged if selecting one of the fixed interest rate types.

[Initial Fixed Interest Rate]

Initial Fixed Interest Rate as of the date of the mortgage contract will be applied from loan drawdown and up to a day prior to the first initial rate review date. 12-year Fixed Interest Rate is only available for contracts with Anshin Pack S. Interest rate to be applied after the initial interest rate review will be based on "Home Mortgage Floating (reviewed semi-annually) Base Rate". Customers may choose one of the Initial Fixed Interest Rates other than 12-year Fixed Interest Rate announced at the time of interest rate review. 5,400 yen (consumption tax inclusive) will be charged if selecting one of the fixed interest rate types. If you are employed by Shinsei Bank's affiliated company, you may be eligible for preferential program that includes special discount on applicable interest rates. For details please contact Shinsei PowerCall (Home Mortgage).

[Long-term Fixed Interest Rate]

Interest Rate determined at the time of the mortgage contract will be applied throughout the term of the loan. Once the loan agreement is concluded with Long term Interest Rate, the rate can neither be changed nor revised to any one of the other interest rate types.

[Step-down Interest Rate]

After the initial period of 10 years after execution, the rate will stepwise decrease every 5 years. Once the loan agreement is concluded with Step-down Interest Rate, the rate can neither be changed nor revised to any one of the other interest rate types. To apply Step-down Interest Rates, the loan term must be 21 years and over, the loan amount must be 20 million yen or more. Step-down Interest Rate are not available for bonus payments.
